

DAIRY STOCKMANSHIP WORKSHOP WITH CURT PATE

Join us for a dairy-specific stockmanship workshop that features Curt Pate. The training will include education about

- Animal Behavior
- Treating and Moving Cattle in an Effective Manner
- Improving Safety around Animal Handling
- Dairy Livestock Handling Demonstrations (gathering, sorting, loading, grazing, etc.)

This training is available for any dairy businesses, farmers, and farm employees.

Curt Pate's incorporates effective stockmanship principles that support a "for profit" mindset. He fully understands the increased economic benefits of handling stock correctly. Just as important, as livestock production comes under increased scrutiny, is the understanding Curt has of the impact that improved handling practices create for the sustainability of the cattle industry.

Cost to attend is \$20.00 per person.
